

## Photography for the web

Maui Hui Malama is pleased to offer a special workshop on photography for the web with their web developer, Karen Bennett.

You will learn

- The basics of taking and using photos on the web
- Characteristics of good and bad photos
- How to set photo goals for a specific event

You will come away with

- Checklists for planning, evaluating, and editing your photos
- Resources for further learning
- Insight into the disciplines of photography and web publishing

The weeklong training will provide practical experience

- Going through the process over several days during spring break
- Observe and photograph the Culinary Camp, Aquaponics, and Video Game Workshop courses
- Work with a web professional and have photos included in a web post on the Maui Hui Malama website

Internship opportunities may be available for those who successfully complete this training.

This workshop will begin on Monday, March 19, 1pm-3pm and continue throughout the week with photo shoots and editing sessions.

Maui Hui Malama 375 Mahalani Street, Wailuku, Hawai'i 96793 808-244-5911
