Explore future career paths and be ready for an entry level job.

Wondering about Maui's Future in Sustainable Food Production, Agriculture & Aquaponics?

Youth AquaPono I: Aquaponics Technician Training

A fast track certificate program on the natural resources pathway, Youth AquaPono I provides classroom and greenhouse lab training in the field of commercial hydroponics and aquaponics.

Course #: AGR6520

Dates: October 8-12, Mon-Fri

Times: 8:30 AM - 4:30 PM

Location: UH Maui College, Aquaponics Greenhouse

Youth Aquapono II: Greenhouse & Food Innovation Internship

Continuing on from the Youth Aquapono I, participants will complete a 40-hour internship in the UHMC aquaponics greenhouse and Maui Food Innovation Center. Gain hands-on, immersive experiences in producing and harvesting fresh produce in the commercial greenhouse, and developing recipes and producing value-added food products in the commercial kitchen. Internship stipends available

Course #: AGR6525

Dates: December 26 - January 4, Mon-Fri

Times: 8:30 AM - 4:30 PM

Location: UH Maui College, Lualima 106
